

# TINMAC MOTORS

## COMPANY PROFILE

Since we set up over 12 years ago, we've won the loyalty of many customers who rely on us to keep their businesses moving and their customers happy. The key to our success is our flexibility - whatever and wherever you need to deliver, we'll find the most cost-effective and efficient option for you and always provide a service which is second to none. We have also invested in new technology, putting you in control with real-time information and satellite tracking for added security and traceability. Add to that a modern, efficient and environmentally friendly fleet and you'll see that we have a lot to offer.

So whether you are looking for Southern Regional Distribution, carriage of hazardous goods with HAZCHEM Licensed drivers, national delivery service or contract services - we would be delighted to work with you. Here at Tinmac Motors we have a "can do" attitude and pride ourselves on the enthusiasm and commitment we show to our customers to ensure that they receive the service that they expect.

# Corporate Social Responsibility

We understand the importance of giving back to our community. As a result, we have come up with initiatives to help our community. We believe that sustainability is about building a future for everyone with whom we live and work. That is why we have dedicated our time and effort towards building a sustainable future for the communities in which we live and work.

We live out our commitment to social responsibility in many forms including;

Operating Safety

Sustaining Vibrant Communities

Assisting the community with long term solutions to academic, financial and social deficits.

We have been involved in organizing tournaments in the remote areas of Manicaland Province.

# *Safety and Security*

We are proud to conduct our business according to safety standards that are exemplary in our industry. Our teams are trained in all aspects of safe operations, using the most advanced equipment and facilities. We are a pioneer in road safety. Our Driving Plan is in place in all of our Southern African subsidiaries and establishes world class procedures to prevent risks arising from the transportation of goods.

**SAFETY IS ALWAYS A PRIORITY FOR US,  
ON THE ROAD, IN THE WAREHOUSE AND IN  
THE COMMUNITY!**
